Dear Sir/Madam

As the new Schools Convener, I invite your school to participate in our wide range of Competitions held throughout Scotland. Competitions 1-7 (with red headings) should be organised within school and winners selected to whom our handsome certificates can be presented. Competitions 8-10 (with blue headings) require selected entries to be sent to us for judging. Remember – You have to be in it to win it!

**I look forward to receiving your application for the various In-School Competitions and ask that you please fill in the application form fully and as accurately as possible. e.g. Column one should show the exact number of pupils learning the poem, etc and not just your finalists. Please show numbers and not just 'whole school' as we have no way of knowing your school roll. These figures are essential for our records and do play a part in helping to attract sponsorship. 130,000 Scottish pupils competed last year.**

I also ask that you encourage your pupils to start working now on our National Art, Project and Writing Competitions so that their entries can be sent to us in good time for judging.

In addition to those competitions listed in this Schedule, we hold National Festivals in Recitation, Singing and Instrumental and I would encourage schools to enter pupils in their local district competitions where they may be selected to represent their area in our national finals to be held in April 2007. We will also hold a National Choral Competition in May for Primary School choirs.

**Robert Burns Work Packs for Schools are available from The Robert Burns World Federation at the above address - Price £5.00 (this includes postage).**

Yours sincerely
